

Play & Learn Reaches for the Stars!

Play & Learn, a non-profit early childhood education center in Montgomery County, is dedicated to providing children ages six weeks through six years with high quality early learning experiences in an atmosphere that encourages children to explore and discover independently, at their own pace and in their own unique way.

Play & Learn is continually improving the quality of its program with participation in Keystone STARS, Success By 6, Mind in the Making and other educational improvement programs and trainings. Play & Learn has ten locations all participating in the Keystone STARS program and continually working to reach the next level of achievement.

As early childhood education professionals, it is important to provide children with the most up to date education and learning environment. Play & Learn prides itself on commitment to quality, excellence and achievement in order reach those goals.

Kristi Bryson, the Director of the Play & Learn in Lansdale and soon to be mom of 6, stated “I am proud to have been part of the Play & Learn team for the last 9 years both as a parent and a Director! I have watched the organization grow professionally in many ways. Additionally, I have seen my children reap the benefits as they have been extremely prepared for elementary school and successful in their endeavors. Play & Learn is a second home for our family!”

Play & Learn offers convenient, affordable, flexible child care for children six weeks through six years at ten locations. For more information on Play & Learn, our programs and locations, call (215) 643-4142, (610) 489-9598 or visit www.playandlearn.com.
